LIFELines: Empowering All Aspects of Your Life

by Dion McInnis

The perfect program for

- Healers and those healing
- Individuals with struggles and the families around them
- Seniors and their families (cross-generational)
- Expressives, artists, writers and speakers

Gain

- Courage and strength
- Insights and perspectives
- Memories leading to memoirs
- Inspiration for expression

Workshops, presentations and classes based on LIFELines, by Dion McInnis. See life differently, change perspectives and grow authentically. For your family, team or church group.

“To integrate elements of your life, it helps to be able to see them in order to work with them. This book will help you do that. Then you’ll find that you are integrating left brain with right brain, current time with past, voice with emotions, and our lives with those of others. **You become whole.** Being whole empowers your creativity. Creative expression connects.”
